WIDETRACK

Iconic 'OEM plus' styling
for the Lamborghini Urus SE.

The Urban Widetrack programme takes the Urus SE
to the next level with our signature OEM+ styling
and high-quality visual carbon fibre

EXTERIOR

FRONT

- Replacement six-piece carbon fibre bonnet with functional leading and trailing vents inspired by the Aventador SVJ with OEM style hex detail
- Functional dragonscale bonnet vents in visual carbon fibre
- Three-piece carbon fibre splitter with canards

PROFILE

- Six-piece carbon fibre widetrack arch extensions with visual carbon fibre detail
- Replacement carbon fibre side vents featuring Lamborghini Hex inlays and Urban icon
- Sill extensions in visual carbon fibre
- Sill aero scoop inspired by the Miura air intake
- Wing mirror caps finished in visual carbon fibre

REAR

- Double-stacked roof spoiler finished in visual carbon fibre with Urban icon endplates
- Replacement carbon fibre rear bumper with integrated visual carbon fibre double vented diffuser and floating visual carbon fibre canards
- Quad billet anodised aluminium exhaust finishers with outer accent detail

WHEELS & TYRES

- Choice of 23" & 24" Forged Wheels
